

Kubiak and Murphy Get the Call

For Immediate Release

The Chicago Fury is proud to announce that U18 Forwards Alex Kubiak and Bobby Murphy were called up to the North American Hockey League for weekend action with the Junior A. Topeka Roadrunners. Fury Midget Major Head Coach Nick Pollos made the announcement. Several injuries to a solid veteran lineup that currently sits in second place in the NAHL South Division with a 12-3 record forced Topeka Coach / GM Scott Langer to make the call. "Both Alex and Bobby stepped into a veteran lineup and proved that they will both make very good Junior A and College players in the future" said Topeka Head Coach / GM Scott Langer.

Fury Head Coach Nick Pollos had this to say about the opportunity. "Anytime you have a chance to get your feet wet at the next level it's a good thing. Both boys did very well and now have a taste of what the next level is." Kubiak and Murphy played this past weekend both Friday and Saturday night as Topeka earned a two game sweep on the road over the last place Springfield Jr. Blues. "Both boys were very professional about their approach to the game. The Roadrunners organization was very happy to have them as part of our family for the series against Springfield" said Langer. Topeka carries a strong tradition for identifying top prospects and moving players to the NCAA Division I level with 14 players in the past two seasons making DI Commitments. "Both boys have solid NCAA DI potential and have come a long way already this season" said Fury Head Coach Nick Pollos, who coached 31 NCAA Division players while coaching in the NAHL. "Our goal here is to develop players for the next level. Everything we do as an organization leads us to those opportunities."

The Fury organization would like to congratulate both the players and families on this opportunity.
