

Fury Girls to play for Third Place in State

The Chicago Fury 19U, 14U and 10U all will compete for third place in the 2008-2009 State Tournament this coming weekend. The Fury members are proud of your accomplishments and say good luck.

The Girl's 19U team will take on Team Illinois in the battle for third place. The 19U girls topped Team Illinois in State Tournament play earning a spot in the third place game and setting up the rematch. The Girl's 14U will also skate against Team Illinois for third place as they seek revenge from an earlier loss to the girls in blue and white in state tournament round robin play. Rounding out girls play will be the Fury girl's 10U team as they take on Winnetka for third place. The 10U Fury girls look to capture a third place finish this weekend.

Best of luck to all three Fury Girl's teams as they skate for the third place flag this year.

GOOD LUCK GIRLS
