After dropping the opening game in round robin play to Team Illinois, the Fury U16s battled the Chicago Mission in a tight checking game. The Fury boys skated to a 2-1 win over the Mission setting up a must win game three vs. CYA. The Fury would not be denied as they skated to a victory over CYA on Sunday afternoon earning a spot in the Title game vs. Team Illinois. Good Luck Boys!

The Fury 95's return to the State Finals as they get set to take on Team Illinois in their quest for the 2008-2009 State Championship. The Fury boys took second in last season's State finals and look to take the next step this year. The Fury earned their way to the finals by winning their first two games in round robin play knocking off CYA and the Chicago Mission in consecutive games. Go get em boys!
