

Fury U16's Take Second in Illinois State Tournament

Congratulations to the Fury Midget Minors on finishing second at the 2009-2010 Illinois Tier I State Tournament. The Fury battled hard right till the end as three of the four state games went into overtime.

Game one saw the Fury come from behind in the third period to even the score with Team Illinois as the two teams went into overtime tied 3-3. Team Illinois scored the winner late into the first overtime to take two points while the Fury earned one for the regulation tie. Game two saw the Fury skate against the Mission in what was another action packed game. The Fury worked hard for three periods as they skated away with the win by a score of 5-3. The third game of the round robin against CYA was not necessary due the outcome of the Mission / Team Illinois game and as a result put the Fury in the State Finals against Team Illinois.

Game one of the best of three series finished just before midnight as the two teams skated into three overtime periods. With the score tied 1-1 with: 33 seconds left in the third overtime, Team Illinois pounced on a loose puck in the slot to end the marathon game and win game one. Game two was similar as the two teams remained tied after regulation. Once again it was Team Illinois getting the game winner in OT as they topped the Fury to capture the Illinois State Championship.

The Fury boys should be proud of their accomplishments this season. Congratulations on a great season.
